ENGINEERING  
NEWCOMER

2021

# TALENTS WANTED

SHOW US YOUR  
CONSTRUCTION

CASH PRIZES WITH A TOTAL VALUE OF  
**7.500 EUR**

MORE INFO & EXAMPLES AT:  
[www.engineering-newcomer.com](http://www.engineering-newcomer.com)

## Participation

You are a student and have written a project or final thesis in the field of engineering and development as part of your studies or training?

### Show us your construction!

The best works will be awarded with an attractive cash prize for you and your educational institution.

## Project submission

Register at [www.engineering-newcomer.com](http://www.engineering-newcomer.com) and show us your work incl. project description (project result, photos, screenshots, tasks, used components) until 31.07.2021 at our disposal.

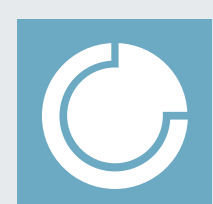

Score extra points by uploading your design as **CAD & STEP files to PARTcloud.net in the category „Challenges/Engineering Newcomer 2021“.**

## Evaluation criteria

Your work will be evaluated by a jury of experts based on the following criteria:

- Innovation/creativity
- Practical use, technological benefit, market opportunities
- Use of standard/purchased parts, cost concept, variability
- Extra points awarded for the use of norelem parts (free CAD download at [www.3DfindIT.com](http://www.3DfindIT.com))
